### Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On April 11, 2025, Greenpro Capital Corp. (the “Company”) received a letter (the “Notice”) from the Nasdaq Stock Market LLC (the “NASDAQ”) notifying the Company that it is not in compliance with the minimum bid price requirement as set forth under NASDAQ Listing Rule 5550(a)(2) for continued listing of its common stock on the NASDAQ.

Listing Rule 5550(a)(2) requires the registrant to maintain a minimum bid price of \$1.00 per share for its securities listed on the NASDAQ, and Listing Rule 5810(c)(3)(A) provides that a failure to meet the minimum bid price requirement exists if the deficiency continues for a period of 30 consecutive business days. Based on the closing bid price of the Company’s shares for the 30 consecutive business days prior to the Notice (February 25, 2025 through April 10, 2025), the Company no longer meets the minimum bid price requirement.

However, under NASDAQ Listing Rule 5810(c)(3)(A), the Company has been provided 180 calendar days, or until October 8, 2025, to regain compliance with NASDAQ Listing Rule 5550(a)(2). During the 180-day period, the Company may regain compliance under Listing Rule 5550(a)(2) if the bid price for the Company’s Common Stock is at least \$1.00 for a *minimum* of 10 consecutive days.

In the event that the Company does not regain compliance by October 8, 2025, the Company may be eligible for additional time to regain compliance. To qualify, the Company will be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and will need to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. If the Company meets these requirements, NASDAQ will inform the Company that it has been granted an additional 180 calendar days. However, if it appears to the NASDAQ Staff that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, our common stock will be subject to delisting.

The receipt of the Notification Letter has no immediate effect on the listing of the Company’s common stock, which will continue to trade uninterrupted on NASDAQ under the ticker “GRNQ”. The Company intends to monitor the closing price of its common stock and may, if appropriate, consider available options to regain compliance with the minimum bid price requirement. There can be no assurances that the Company will be able to regain compliance with the minimum bid price requirement or maintain compliance with the other Nasdaq listing requirements.
